# ACCELERATOR

## ALUMNI COMMUNITY PLEDGE

I pledge to show up authentically,  
bringing my whole self to this community.  
I promise to approach others without judgment,  
fostering an environment of acceptance.

I commit to supporting and uplifting the women in this group,  
with positive intentions guiding my actions.  
I vow to bring forth the best version of myself,  
striving to inspire others to do the same.

No drama. No bullshit. No mean girls.  
I believe that sharing is caring,  
and I will contribute openly and honestly.

I understand that your success is our success,  
and together we all rise.

We are stronger when we stand united,  
supporting each other through challenges and victories alike.

I will always treat others with the utmost respect, honoring the  
diversity and uniqueness within our community.

In reviewing this pledge, I commit to fostering a space of  
empowerment, growth, and camaraderie within  
The Accelerator Alumni Community.
